

## MTBO 2024 Start Team Notes

### Start Team Crew

#### The start team will:

- Run the start for all the events
- Set up the start for each event.
- Pack up equipment, and clean up the start area after each event.

#### Cath will

- Equipment –bring all equipment – tents, tables, map boxes, pigtails, bunting
- Supply – signage, start signs, clocks, clipboards, stationery.
- Print & laminate signage (Basket labels; Course / Classes; Next Start; Late Start...)
- Liaise with the IT team to get
  - clear/check;
  - SIAC battery check;
  - registration check in;
  - Clear (spare) unit;
  - Start units (including late start);
  - SIAC On check
- Liaise with the IT team to have
  - start clock(s) and next start clock(s) synced with computer each morning,
- Charge overnight / have spare batteries for clocks.
- Liaise with Fedor re start lists.

#### The start team is not responsible for unless specifically asked

- Signage / taping associated with the route to the start.
- Water at the start.
- Place the start triangle(s) as part of course setting and tapes to the start triangle

#### We expect that the organisers will:

- Brief us on any special instructions to be given to competitors at the start.
- Be available to show us where to set up the start area.
- Provide maps on the day
- Provide any course setter notes or other special notices that you want displayed at the start.
